MOHD.SHADAB

APPLICATION DEVELOPMENT ANALYST

ABOUT ME

I am a qualified and professional web developer/App. development analyst with 1.9 years of experience in front-end web development, agile, dev-ops, and QA.
I have strong creative and analytical skills.
I am a team player with an eye for detail.

WORK EXPERIENCE

< APPLICATION DEVELOPMENT ANALYST >

Accenture Pvt. Ltd.   Jun 2022 - Present

I have worked on two **E-Commerce projects** in my 1.9 years of tenure. I worked with the Development and QA team to deliver the best results for tough clients working in **B2C** web order to increase the omnichannel engagement for the Belgian market i.e. handling their French & Dutch websites on **SAP Hybris Platform**.
For my other project, I handled **52 global** websites for a multinational fashion holding company by helping them migrate from Oracle Atg to **Salesforce Business Manager** and their other subsidiaries.

< ASSOCIATE SOFTWARE ENGINEER >

Accenture Pvt. Ltd.   Feb 2021 - Jun 2022

After graduation, I joined as an associate software engineer and got trained in various technologies like **Web Development (Html, CSS, JS), SQL and Agile Methodologies, Dev-ops,** etc. for **6 Months** along with this I was assigned to a client project for project-based learning to get real corporate exposure.

< TECH INTERN (FRONT-END) >

NDTV Convergence Ltd.   Jun 2018 - Jul 2018

Worked on modifying the UI of **sales management system** software using front-end tools like **Html/CSS & Bootstrap**. Worked with the Ad tech. dept. by testing the functionalities of ads on various devices before they were live on the website.

NOTABLE ACHIEVEMENTS

- Awarded the **"Best Performer" award twice** from my leads at Accenture
- Awarded the **"Exemplify Client-Centricity" award by the leadership** for my contribution to the project at Accenture.
- Awarded the **"Best People" award** for my contribution to the project at Accenture.
- Our team was awarded **"The Extra Mile Award"** in the Offshore - Team category for its outstanding contribution to the organization at Accenture.

PROJECTS

< CAPRI HOLDINGS LTD. >   Aug 2022 - Present

MULTINATIONAL FASHION HOLDING COMPANY

- **Michael Kors, Versace, and Jimmy Choo** are the brands of Capri Holdings, a marketer, distributor, and retailer of upscale accessories and apparel.
- Handling the **52 global** E-Commerce websites of Michael Kors and their other subsidiaries i.e. **Versace and Jimmy Choo** for different locales. Performing smoke testing and validating the performance and integrity of the sites globally.
- Helping them migrate their business from Atg to **Salesforce Commerce Cloud BM** which helps maintain multiple sites by using a single system to manage all customer engagement channels.

< CARREFOUR GROUP >   Jun 2021 - Aug 2022

FRENCH MULTINATIONAL RETAIL COMPANY

- Carrefour is one of the **largest retailers** in the world.
- I worked on the **SAP Hybris platform** for **B2C** web orders, handling the clients to fulfill their needs and achieving on-time deliveries.
- Handing sanity for the **French & Dutch websites** intended to increase the **omnichannel engagement** for the **Belgian market.**
- Worked on **SAP Hybris Backoffice administration cockpit** for store configuration, Hybris promotions, SAP promotions, slot creations, etc.
- Creating and raising the defects and uploading the test cases on **JIRA.**
- Followed the **agile methodologies** to achieve our sprint targets and also handled the smoke testing for the production environment verifying seamless build and its integrity.
